

# Regulation of gene expression - 25 years on : thirty-ninth symposium of the Society for General Microbiology held at the University of Warwick, April 1986

Published for the Society for General Microbiology (by) Cambridge University Press - Gene Expression and Regulation — University of Leicester

Description: -

- Custom-house (London, England)

Architecture -- England.

Nursing -- Study and teaching (Graduate) -- United States.

Nurse practitioners -- Study and teaching.

Gene expression. Regulation of gene expression - 25 years on : thirty-ninth symposium of the Society for General Microbiology held at the University of Warwick, April 1986

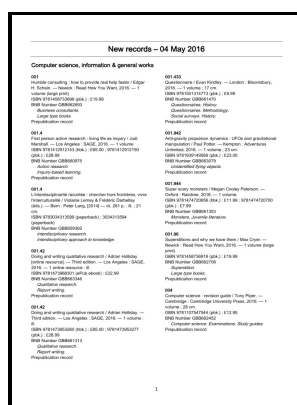

- Les oeuvres de M. Pope traduites en français

Symposia of the Society for General Microbiology -- 39.

Symposium of the Society for General Microbiology -- 39 Regulation of gene expression - 25 years on : thirty-ninth symposium of the Society for General Microbiology held at the University of Warwick, April 1986

Notes: Includes index.
