Totally Wired: What Teens and Tweens Are Really Doing Online

Dealing with the idea of pornography and strangers trying to make contact are two big issues with teens and technology. For those adults stuck in 1985 to borrow a phrase , it explains different types of media and activities that young people use daily to stay connected and entertained. Almost everyone I know has a Facebook page, including myself.

As Nora's mentioned on the show, she's been doing yoga for a long time, about 20 years, and we thought, hey, why not include some yoga breathing techniques with the podcast. The best way for your teen to stay within proper social boundaries is to anchor their relationship within the realm of work or class.
