Minick and Simpson Blue and White : Living with Textiles You Love by Laurie Simpson and Polly Minick (2017, Hardcover) for sale online

Aghighi is determined to shift the perceptions of clothing consumers, making it deeper and more holistic.

Living with Textiles in Laurel Canyon

It challenges our current relationship to clothing while acting as a catalyst for behavioral change. Be it a soft velvet upholstery for your sofa, or a velvety rug, velvet can be used in the living room in various ways to add a stylish spin to it.

7 Stunning ways to excite your living room with textiles!

Theirs is filled with art and color. Image above: The top piece is from one of my favorite nonprofit organizations, Creatvity Explored in the Mission District in San Francisco. The Munch poster came from a flea market in Brooklyn.

Living Textiles

Once so valuable they were stolen from clothes lines and , textile products now occupy only a tiny fraction of household budgets.
