**PBS Nova Documentaries (being updated) : PBS : Free Download, Borrow, and Streaming : Internet Archive**

Non-geeks started getting on the internet and BBS's because there THEY and not the media controlled the content - what they viewed, when they viewed it, even how it got presented.

**Article: Robert McChesney's The Political Economy of Media**

The media moguls were caught by surprise by the new technology, and are still trying to reverse history.

**The Next Big Media Battle: Publishers vs. Ad Agencies**

Time Warner's FSN was a multibillion-dollar interactive cable disaster and its sequel, the Web-based Pathfinder, was even more embarrassing. Amid growing concern for the country, David Cameron was the first world leader to visit Egypt 10 days after Mubarak's resignation.

**Timeline of the Egyptian Crisis under the Supreme Council of the Armed Forces**

Egypt: American University in Cairo. Numerous protests then took place, following this event. When the Internet threatens to lure some of the flock, the big guys with the big corner offices start writing checks hoping to find a way to own a piece of it.

**Corporate Governance: The Crisis, Investors' Losses and the Decline in Public Trust**

From here, one can find information about bills and other legislation. It also poses a new threat to the publishers' former allies, the traditional ad agencies. Now, he says, it's the number-one revenue generator for his business.

**A GHOSTS MEMOIR**

Military police, armed with Tasers and batons, fired in the air to stop the demonstrators from approaching the Defense Ministry. His voice does not boom.

### **Egyptian revolution of 2011**

On 31 January, Mubarak swore in his new cabinet in the hope that the unrest would fade. One woman told me Twitter is too fast.

### **Egyptian revolution of 2011**

This only further angered protesters, who wanted a civilian-led democracy, and they flooded the streets of Khartoum, sat down, and stayed — for two months, until the early hours of June 3, 2019. Since the revolution Islamist parties such as the Muslim Brotherhood have strengthened in the democratic landscape, leading constitutional change, voter mobilization and protests.
