Brenner has created a body of work featuring the beautiful plants and landscapes of the Garden and we are pleased to display this work in a one-woman show at the Garden. At a time when modern American artists seem to have abandoned floral works, Bukovnik has made an illustrious career painting vibrant compositions of flowers.

Lawrence Rinder to Step Down as Berkeley Art Museum Director and Chief Curator

These include corn, tomatoes, potatoes, beans, squash, peppers, amaranth, quinoa and chocolate.

Museums and collections

The Book of Life: A Photographic Bibliography February 8th through 22nd Each plant has a story to tell. Chief administrative officer Richard Tellinghuisen and senior film curator Susan Oxtoby will serve as co—interim directors until a successor is appointed.

Exhibitions

Since its relocation, the attendance to BAMPFA has doubled. Students first studied fabrication techniques with plant fibers originated in primitive habitats. Students develop a cross-media understanding of art's practices in a global context, and gain valuable experience for a wide range of professional lives within contemporary art and culture.

Lawrence Rinder to Step Down as Berkeley Art Museum Director and Chief Curator

After a four-year stint at the Whitney, he returned to the CCA to become dean of graduate studies. Plant Fiber Enclosure: Origins by Maria Paz Gutierrez May 2017 Plant Fiber Enclosure: Origins comprises a two-semester seminar where graduate architecture students have explored methods to integrate traditional and digital craft in fiber enclosures.

Exhibitions

Admission is free and hourly reservations are required. Created on Nov 13 2014 - 11:34am Last Updated Oct 15 2020 - 10:46am

Welcome!

He helmed the program until 2008, when he was named director of BAMPFA. Artist gallery sitters are on hand at the exhibit to answer questions and guide you through the show.
