Research Databases Alphabetical List

It is always a question of proving the real by the imaginary; proving truth by scandal; proving the law by transgression; proving work by the strike; proving the system by crisis and capital by revolution; and for that matter proving ethnology by the dispossession of its object the Tasaday.

Pederasty

This course is designed to help students gain an understanding of the structure, economics, and taxation of these investment vehicles.

Baudrillard_Simulacra and Simulations

Accordingly, it covers subjects such as the time value of money, the distinction between debt and equity, the role of risk in valuing financial assets, and how assets and liabilities are described in accounting materials such as balance sheets and income statements.

AudioDigest

In many other countries, fiscal authorities rely far more heavily on indirect taxes. Note: This course provides students with an opportunity to consider and address the ethical issues that attorneys frequently encounter in different kinds of modern-day tax practice, either tax planning or controversy.

Law

Go and organize a fake hold up. Sexual relationship between an adult man and a pubescent or adolescent boy Pederasty or paederasty : or : is a sexual relationship between an adult man and a or boy.
