Heritage Burns

The first book is entitled Burns Now, and appeared in 1994. In the Critical Heritage volume Low follows the series format of printing early reviews and essays on the subject, many of them difficult to find today.

How the Victorians Monumentalized Robert Burns: Christopher Whitley's Immortal Memory: Burns and the Scottish People reviewed by Patrick Scott

The perspective that he provides on Victorian attitudes often comes from shrewd quiet irony rather than from direct discussion, but the narrative is based in detailed understanding of the differences in each city or town and of each historical moment where and when a new statue was to be erected. It was this second group, itself quite mixed and not always harmonious, who after each unveiling attended lengthy formal dinners to toast each other in mutual self-congratulation. New York: Cambridge UP, 1998.

Burns Dinner

. His life at Dumfries was active.

The Burns Heritage Trail, Dumfries & Galloway

He suggests four major categories of Scottish English, keeping the Gaelic stratum entirely distinct. While Scotland is typically described on tourism websites as a predominately English speaking nation, it is important to note that Scottish English is not merely British English with a funny accent. He was an admirable letter writer and a brilliant talker, and he could hold his own in any company.
