Preparations, too, for the principal piece of work in the district—the building of the railway bridge over the Tsavo river—were going on apace.

The Man

As far as I could make out, he kept dodging in and out through the broken wall of the goat-house; but in a short time my shots evidently told, as his struggles ceased and all was still. Almost directly beneath us he halted and stood for an instant clearly exposed to our view.

On this occasion I brought my gun-bearer, Mahina, to take a turn at watching, as I was by this time worn out for want of sleep, having spent so many nights on the look-out.

The Man Eaters Of Tsavo and Other East African Adventures by Patterson, J H

If this simple account of two years' work and play in the wilds should prove of any interest, or help even in a small way to call attention to the beautiful and valuable country which we possess on the Equator, I shall feel more than compensated for the trouble I have taken in writing it. The danger was not yet past, unfortunately, for scarcely had I turned my back to go home when the mutiny broke out again, another meeting being held, and a fresh plot made to murder me during the night.
