How to Solve a Cryptogram (with Pictures)

To solve the puzzle, you must uncover the original lettering that represents the full quote along with the author.

Cryptogram, Cryptoquote, Word Puzzle Game

Try it now on your favorite tablet! The process is simple: change each letter in your document to another letter in the alphabet, so that your new document is completely illegible. Why not try your cipher solving skills on this sample crypto? In the case of this puzzle game all statements are quotes from relatively famous to very famous individuals. Pick your mode of transportation and solve the three cryptograms based on it.

DKM Cryptograms

There are common pets like cats and dogs. The dictionaries list words of varying offensiveness because, well, they are still words.

Cryptogram Solver (online tool)

There are farm animals, fish, wild animals and even dinosaurs. Solve cryptograms with just a touch of your finger. This page does send your cryptgram to my server, so you might not want to use it if your message is extremely sensitive and you think that I care about what you are submitting.
