## 12 Types of Ballroom Dances

There are thousands of reasons why people start dance lessons — from wedding dance instruction, a new hobby or way to connect with your partner, improving your social life, physical and emotional health. These 2 styles are the traditional types of Ballroom dance and now I will share some other styles that fall under the umbrella of Partner dancing and often associated with Ballroom dancing, but they are non-traditional Ballroom dances. Below we have included the most popular Ballroom dance styles in the following order: American Style, International Style, Latin nightclub style, Swing dances and other popular partner dances.
