ESSAY CONCERNING HUMAN UNDERSTANDING

And when we find it there, how much more does it resemble the opinion and notion of the teacher, than represent the true God? Robberies, murders, rapes, are the sports of men set at liberty from punishment and censure.

An Essay Concerning Human Understanding

Essay Concerning Human Understanding: Introduction

Thus, that the three angles of a triangle are quite equal to two right ones is a truth as certain as anything can be, and I think more evident than many of those propositions that go for principles; and yet there are millions, however expert in other things, who know not this at all, because they never set their thoughts on work about such angles.

An Essay Concerning Human Understanding

It would be sufficient to convince unprejudiced readers of the falseness of this supposition, if I should only show as I hope I shall in the following parts of this Discourse how men, barely by the use of their natural faculties, may attain to all the knowledge they have, without the help of any innate impressions; and may arrive at certainty, without any such original notions or principles.
