## Ashford, Arts and Crafts Computer, The: Using Your Computer as an Artist's Tool

The stylus makes it possible to draw more smoothly and to take advantage of your conventional drawing skills. The Arts and Crafts Computer shows you how to use your personal computer, scanner, digital camera and color printer as artist tools to create beautiful graphics and artful objects for your home, school and work. Such comments were often made in the context of digital art forms not replacing traditional techniques.

## Arts and Crafts Computer, The: Using Your Computer as an Artist's Tool

While some resistance to integration might be attributable to age, research cited in Delacruz 2004 suggested that, although many art teachers are using more ICT, most use only basic applications such as word processing rather than applications designed to support creativity.

## The Arts and Crafts Computer : Using Your Computer as an Artist's Tool by Janet Ashford, Paperback

Previous studies have indicated that some art teachers view ICT as gimmicky and easily misused, and some fear loss of student creativity Crowe, 1988 and a focus on replication of art Rogers, 1995. Continued use of the site after the effective date of a posted revision evidences acceptance.

## Integrating the Arts with Technology: Inspiring Creativity

But the projects described in this book are made using personal printers rather than printing presses. Color mode is used for color photos and art work.

## Arts and Crafts Computer, The: Using Your Computer as an Artist's Tool

Scanning Photos, Art and Objects.

## The Arts and Crafts Computer: Using Your Computer as an Artist's Tool by Janet Ashford

Final Report: The Expressive Arts Outreach Project 2000 - 2003. While some teachers have led the way with innovative and exciting applications of technology, others continue to avoid it all together and this is exacerbated and perpetuated by beliefs about the nature of visual arts and the relationship between technology and creativity. Australian Art Education, 23 2 , 37-41.
