### Making Questions

Jack took his sons to the ball game. These are the words that people use when doing strategic planning. But when it comes down to the nitty-gritty of crafting strategy, they rapidly get bogged down.

### Page: The New Church

By focusing on all four elements, and sequencing them in the right way, the process of crafting strategy can be demystified. Gene can play the guitar.

### WH Question Words

Clarify the key strategies you can follow to give yourselves the greatest chance of success Bearing in mind the goal to achieve, you can ask: What are the key things we can do to give ourselves the greatest chance of success? Try completing the exercise on this theme.

### What is my WHY? Find Out Your WHY in 5 Steps

Why do you think the way you do? This notation is often used in email, text messages, and other postings to communicate emotional context that would otherwise be lost or unclear.

### WH Question Words

To list the desired results in order of priority. All of this happens, of course, in time: during the class, before the class, until the class, throughout the class, after the class, etc.

We use since with a specific date or time.

## **Why, How, What?**

This question kept bugging me until I met Simon Sinek via TED Talk, who similarly grappled with this issue. Those words in bold blue font are all prepositions.
