The French Revolution and the Catholic Church

From the great excess of the number of such independent farmers in these States, over and above all other classes of inhabitants, the long continuance of your liberties may be reasonably presumed. The Provençal will become a good friend, good citizen, good subject, and the regeneration of the laws will also rebuild social morality. Rather than being a timeless Odalisque that could be safely viewed with detachment, Manet's image was assumed to be of a prostitute of that time, perhaps referencing the male viewers' own sexual practices.

The Family on Trial in Revolutionary France by Suzanne Desan

Fires were set, and angry citizens began converging to the royal palace.

Шарлота Корде — Википедија

Although the department more often voted to the right, relatively high literacy rates, political clubs in fifty communes, and exposure to press and revolutionary leaders from Rouen, Paris, and Caen all brought access to revolutionary laws and ideas.

Women and the Revolution · Explore · LIBERTY, EQUALITY, FRATERNITY: EXPLORING THE FRENCH REVOLUTION

Economic downturns and bad harvests during the 1840s contributed to growing discontent. Women could ask for better education and protection of their property rights, but even the most politically vociferous among them did not yet demand full civil and political rights. Fighting in Paris continued throughout the night.
