

# Effect of gamma and ultra-violet radiations on the activity of Stentor polymorphus.

University of East Anglia - The UK National Culture Collection (UKNCC) biological resource: properties, maintenance and management, D Smith, MJ Ryan

Description: -

-effect of gamma and ultra-violet radiations on the activity of Stentor polymorphus.

-effect of gamma and ultra-violet radiations on the activity of Stentor polymorphus.

Notes: Thesis (Ph.D.) - University of East Anglia, School of Biological Sciences, 1966.

This edition was published in 1966
