## Understanding the Pros and Cons of Protectionism

When America became an imperial power, an early step in its control of the new empire was the prohibition of opium use in the Philippines in 1905.

## British Economic Policies

This trend has been experienced by the currencies of all nations that have been implementing SAP for about a decade.

## Structural Adjustment is the Wrong Policy

With big-scale wind turbines running into planning difficulties, solar panels have an important part to play.

## Liberal Perspective on Britains Trade Policies Example

There was increase in textile manufactures. When European countries retaliated, the resulting trade war restricted global trade, harming the economies of all countries involved. The research from the NatCen said more than two-thirds of participants overall wanted to see arrivals from the EU treated under the same rules as people coming from non-EU nations.
