Page 95 and 96: the development of a community that Lund: Department of Political Science 2000. Most studies on the democratic peace A Democratic Turn in Security Studies Most studies on the democratic peace. This study explores the concept of trust across different and

sometimes antagonistic genres of international political thought during the seventeenth century.

Dissertations

The notion of stable peace-understood as military conflict resolution being unthinkable, no matter the severity of a conflict-rivals traditional accounts of the logic of international relations. This study concerns the development of Stable Peace between states in the modern anarchical international system.
