## Council of Ten

First Edition Hb 1997 0-521-40169-0 First Edition Pb 1997 0-521-40967-5 Edward Muir is Professor of History of the Northwestern University.

## Introduction Beyond the Palio: urbanism and ritual in Renaissance Siena on JSTOR

He draws attention also to the influence of the re-discovered classical Roman triumph and of the medieval royal entry, particularly in France, carried into Italy by visiting or invading monarchs. And, for the record, it might also allow nerds like me who murdered Marco Babarigo with the hidden pistol to learn a little more about the man they had to endure at least six to seven side-quests just to get a flipping golden mask that they eventually had to steal and then sneak into a party just to kill the fat Doge. The interiors, superbly decorated by legions of artists, with masterpieces by Titian, Veronese, Tiepolo and Tintoretto, provide an extraordinary visitor experience.

## MUSEI CIVICI VENEZIA

Priests, ceremonies, and even witnesses were unnecessary.

## Renaissance festival books

Before 1563, when reforms enacted by the systematized and formalized the process, the only requirement for marriage was the mutual consent of a man and woman not already married to someone else. Venice is an incredible city and Muir has accomplished something wonderful with this book.

## Religious Devotion and Civic Division in Renaissance Venice : the Case of Lorenzo Giustiniani

It was subsequently bought by Count Lionello Hirschell de Minerbi, a member of the Italian Parliament, who, after long and complex negotiations, sold it to the City Council of Venice in 1935. No more than one member of the same family could serve on the Council at any one time, and members could not be re-elected to successive terms. Mulryne Italy, today a political entity, was in the Early Modern period a territory of politically and culturally diverse city states.
