UK: Survey reveals 'heart

The United Nations Educational, Scientific and Cultural Organization recognizes seven levels of education in its International Standard Classification of Education system, from Level 0 pre-primary education through Level 6 second stage of tertiary education. Formal reading and writing start in group 3, at age six.

Educating India's Children

. It is using innovative approaches, such as technology-driven and distance learning models so teachers can continue to be their students even while upgrading their skills and knowledge. The first set, the Standard Grade examinations, take place in the Fourth year of secondary school and show basic education level.
