Why Water Cooperation Is Key for Israel, Jordan, and the Palestinian Authority

Stretching back to the 19th century, the control of virulent infectious diseases is one of the earliest areas of multilateral cooperation and the WHO, upon its founding in 1948, inherited the responsibility for the management of the international legal regime.

Environmental and Social Policies

By this definition, the United Nations UN is clearly a multilateral international institution—no one would think of the UN as a unilateral or bilateral institution. The Justice Stephen Breyer Lecture series on international law, formally established in 2014 in partnership with the Netherlands Foreign Ministry, the mayor of The Hague, and The Hague Institute for Global Justice, was created to help policymakers on both sides of the Atlantic think about new challenges to international law and order. Although foreign aid serves several purposes, and not least among them the wish to increase human welfare, the primary reason for aid allocations or aid restrictions is to pursue foreign policy goals.

The Challenge of Good Governance for the IMF and the World Bank Themselves

Sustainable financing — Report by the Director-General. This article introduces some recent evidence-based research on how multilateralism, bilateralism, and unilateralism are selected in a particular foreign policy area such as alliance formation, mediation, and international aid.

Why Water Cooperation Is Key for Israel, Jordan, and the Palestinian Authority

In what, then, did the Supreme Court base its authority to apply international law? Nothing in the text, background, negotiating and drafting history, or practice among signatory nations suggests that the President or Senate intended the improbable result of giving the judgments of an international tribunal a higher status than that enjoyed by many of our most fundamental constitutional protections. The reality of the liberal order that supposedly came into existence in the postwar moment was the more or less haphazard continuation of wartime controls.
