A Controversy over Degas

Venturi, Les archives de l'impressionnisme, Paris, 1939, vol. Those accustomed to the sparkling elegance of Garnier's auditorium were perplexed by the elevation of a mere 'rat'. His paintings were crisper and more photographic than the other Impressionists.

Edgar Degas Quotes (Author of Complete Works of Edgar Degas)

Lemoisne, Degas et son oeuvre, New York and London, 1984, vol.

My Friend Degas

In his new ballet, Bart comes to grips with the same issue that confronted Degas: the synthesis of tradition and innovation. Never seen photo of dancer sitting in a chair in the corner wearing point shoes; she is keeping her shoulders warm and from the elbows are on her lap; across from the spiral staircase; someone looks like a witch near her; they working on Cinderella? She was one of three sisters, all training to become ballerinas, and all apparently sketched by Degas.
