Café racer

Lenny Paterson, 61, who was a Rocker back in the Sixties and remains one at heart recalls the sense of being outcasts and rebels. It is like they took Shibuya and made it a hundred times as big and colorful. Those were the days of the 'rockers', and Ray learned to ride fast on the north London roads around the Ace Cafe and the Busy Bee where fellow bikers used to hold impromptu races.

Speed Racer (2008)

By the 1950s Ace regulars began to include a new breed of motorcyclist, mostly young, looking for a place to gather with their mates. As grim as those days were in terms of performance, it was an era that produced two of the Sportsters considered most unusual and sought-after by collectors, the 1977-78 XLCR Café Racer and the 1983-85 XR1000.

Café racer

Buildings and Society: Essays on the Social Development of the Built Environment Reprint ed.

The Best Fitting Motorcycle Gloves You Can Buy

A young driver, Speed Racer, aspires to be champion of the racing world with the help of his family and his high-tech Mach 5 automobile. His motorcycle is minimal and slim-lined, unlike the mainstream Harleys and those angular sport bikes you're used to seeing on the road. In 2014, journalist Ben Stewart recognised the café racer as a European style that would be appreciated in America.

The Best Fitting Motorcycle Gloves You Can Buy

The café racer idea caught on in the US, which was already a major market for British motorcycles. If real racing was this exciting, I would watch it all the time.

Café racer

Speed is loyal to the family business, run by his parents Pops and Mom.
