**Niagara Falls Railroad History**

The road was not particularly profitable and fell into receivership, acquired by J.

## List of New York railroads

The ICC authorized Conrail to abandon part of this line, which it called the , between Corry and Meadville in August 1994, effective at the end of the month. On the 26th of August, in that year, the first locomotive was put on the road at Black Rock, and ran from that place to Tonawanda, at the rate of fifteen or twenty miles per hour. Sheeky decided he would stop every Canadian Southern Railroad passenger train just below Loretto Academy in order to allow his passengers to view the beauty of the Falls before continuing their journey.

## Railroads

They included the Erie Railroad, Grand Trunk Railroad, New York Central Railroad and the Michigan Central Railroad. The waiting room was heated with a pot bellied stove.

## Map of New York State Railroads

CSX trains still deliver coal to this plant. An excellent panoramic view of Falls of Niagara were available through the stations many windows.
