But divine authority commands all not to be allies and defenders of impiety and unjust cruelty. Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work. Since, therefore, neither ordination nor confirmation was sought from a bishop of Rome in the greater part of the world in the Latin and Greek churches, it is sufficiently apparent that the churches did not then accord superiority and domination to the bishop of Rome.

Treatise on the Gods by H.L. Mencken

But if the ancient Church had acknowledged the primacy of the Roman Pontiff, this contention could not have occurred, neither would there have been need of the decree of the emperor. Your donkey shall be seized in front of you, and it shall not be returned to you. The ideology of the Neo-Assyrian empire emphasized military power and force: royal inscriptions of the emperor emphasized his military exploits over his building projects, and going on military campaign yearly was expected of him.
