## About Ear to the Ground

Yet as events unfold, it becomes clear that this violent story is far from over... Al Barney - master story-teller of sorts, and reprobate to boot! It features interviews and presentations related to sustainable agriculture, rural development, local food and farming systems, agricultural policy and social justice. But sweat equity and soil health are helping them transform a marginal piece of ground far from Corn Country. The fabulous Esmaldi necklace, and other expensive jewelries; apparently the target of a cunning gang of thieves.

## Ear To The Ground

For others, nature functions more metaphorically, as in the work of artists like Ronald Lockett, Dawn DeDeaux and Sara Madandar, who reference natural processes like weathering, disintegration and sedimentation to speak to current social and political issues ranging from climate change to questions surrounding immigration and cultural belonging. She maintains professional certification through the American Institute of Certified Planners AICP.
