### Your Call is Important to Us the Truth About Bullshit by Penny Laura

### A New Take on Deceptive Advertising: Beyond Frankfurt's Analysis of 'BS' on JSTOR

Sometimes calling out BS is unnecessary because there's an expectation of embellishment, like an overly polite compliment or, in the case of my Texan family, a tall tale of walking uphill to school both ways, in the snow, pulling a donkey. The platitudinous pabulum that passes for stirring political rhetoric is bullshit. Penny published *More Money Than Brains: Why School Sucks, College is Crap, and Idiots Think They're Right*, a consideration of anti-intellectualism and a defence of the arts and humanities in 2010.
