Also, pay attention to the soil.

Gardening Basics for Beginners

Fertilizer nutrients get absorbed by the plants but other parts of the fertilizer will sit in the soil which can have adverse effects. Sheet Mulching Layering Known as sheet mulching or layering, this method involves laying down an organic material, such as newspaper or unwaxed cardboard, to smother the grass.

Indoor Gardening For Beginners: Basics You Should Know

And if you have leftover seeds from a previous season, test a small handful of the seeds — if they germinate well, then go for it. The item may be a factory second or a new, unused item with defects or irregularities. Accessories such as CD, codes, toys, and dust jackets may not be included.
