R.I.P. Samuel Blumenfeld: Author, Master Educator, Champion of Freedom

What she wrote stripped away my reading and intellectualising, like so many useless bandages. This book will explain the geological history of the Catskills in a way that is informative and entertaining, and also act as a guide to places where that history can be seen and even felt. I thought of the ruined marriages, the let-down kids, the suicides, the stunted and miserable lives — the great swathe of collateral damage that psychological trauma leaves.

It was a time of religious re-birth, ongoing social reform, and making one's life the best it could be in the present, in the future.

Recollections of A Southern Matron by Caroline Gilman, Paperback

Photograph: Robert Perry for the Observer The last seems such a cliché of boarding school life — surely the tearful mummy pleading with the bullies is in Tom Brown's School Days? The death of his brother John, also in 1805, affected him strongly and may have influenced his decisions about these works. Set against the political intrigue of Florence, Italy, of the 1490's, the book chronicles the spiritual journey of a passionate young woman. I and the other eight-year-olds would turn our faces into our mattresses, pull pillows over our heads.
