For example, if the current year is 2008 and a journal has a 5 year moving wall, articles from the year 2002 are available. In-depth interviews, party presses and primary documents, and national election data provide a foundation for the most up-to-date examination of party transition, organization, ideology, and electoral fortunes through late 2002.

Description One of the most unexpected outcomes of the Soviet bloc's transition out of communism has been the divergent but important paths followed by once ruling communist parties. No less surprising has been the ability of anti-Western neo-Leninist communist parties in Russia and Ukraine to win sizable pluralities of votes in free competitive elections.
