2016 Report on Grantmaking Programs

A view from the top is available via a. While investment in the protection of material assets is common practice within collecting institutions, few performing arts organizations have developed plans to deal with potentially devastating emergencies. Choate is also a member of the NEPSAC and the Founders League, which comprises private schools located mainly in Connecticut.

Atrash, Laylá [WorldCat Identities]

While the plan outlined thrusts of anticipated continuity and change in our institutional grantmaking, it also foresaw that the plan would benefit from new research initiatives on complex problems that beset the disciplines and sectors we support. Battered by the storm of 1873, he was stretched thin but sought to expand at the expense of his bankrupt competitors. Kennedy '35, Adlai Stevenson '18, Edward Albee '46, Caresse Crosby 1910 and other alumni, the Haffenreffer Collection of early American documents and autographs, and collections related to and other writers.
