## 9780567026002: Reading 1 Corinthians in the Twenty

I am sure that Paul would have no problem with reporting pedophilia to the authorities if he were still alive today. This explains the difference in tone between 2 Cor 7 and 2 Cor 10-13. I think America has the mentality today that wherever someone is in life is because they did it to themselves.

### Reading 1 Corinthians in the Twenty

She does not hesitate to quarrel with Paul, but her eye is clearly focused on Paul's wrestling with concrete everyday issues of the church from a perspective that recognizes dialectical tensions irreducible one to the other or to some common synthesis.

### Who was Chloe of Corinth?

As Christians we might view ourselves as better moral judges, but we still judge people wrong and treat them differently just on economic status. Though he never uses the word, it seems to stand behind all he writes in this chapter. I am convinced Paul would call us to rediscover the value of dignity, as well.

### sdm.mavlink.io.uk: Paul's First Letter to the Corinthians

Church discipline can be a point of disagreement for many members of the church. I know there are no quotation marks or italics in koine Greek—so is there something specific about the structure that I may be missing? As such, it seems she was concerned about some of the goings-on in the Corinthian church and took on the responsibility and the expense of sending a delegation to Paul asking for his advice and assistance. The people of Corinth seemed to deal with many of the same issues related to sex and wealth that our society does today.
