However, the private sector has a compelling role to play in the realization of SDG 17 Partnerships for the Goals, as they are essential partners to investment and job creation and can create stable and sustainable communities.

Start

Reorienting teacher education for the values of sustainability.

Sustainable Development

Last Updated: Apr 13, 2020 Projects financed by the World Bank Group have achieved important results in Jamaica in recent years. A more effective public sector is integral to achieving UN SDGs whether the actions are at the individual level or collectively at the community level.

Transforming our world: the 2030 Agenda for Sustainable Development ∴. Sustainable Development Knowledge Platform

UN 2019 SDG Action Award winners. In an era of global uncertainty, the SDGs can be our guide. They tested two campaigns—rent for two days and get one free versus rent for five days and get two free—and learned that the second offer was more attractive because customers could rent five days for work purposes and get reimbursed, but could then use the car for two more days on the weekend.

Jamaica Overview

We acknowledge also the essential role of national parliaments through their enactment of legislation and adoption of budgets and their role in ensuring accountability for the effective implementation of our commitments.

Striving for the United Nations (UN) Sustainable Development Goals (SDGs): what will it take?

Cross-sectoral partnerships Strong partnerships across all three sectors are required to achieve the sustainable development agenda.
