The Committee added an exception to subdivision e 6. Before the court accepts a plea of guilty or nolo contendere, the defendant may be placed under oath, and the court must address the defendant personally in open court. §3731, that analogy is unconvincing.

The new right; a plea for fair play through a more just social order : Jones, Samuel Milton, 1846

If rejected, the defendant must be allowed to withdraw the plea on count 1 even if the type B promise to recommend a certain sentence on that count is kept, for a multi-faceted plea agreement is nonetheless a single agreement.

The New Right; A Plea for Fair Play Through a More Just Social Order : Jones, Samuel Milton: Amazon.sg: Books

§3553 b 1 , violates the Sixth Amendment right to jury trial. Consequently, there has been a lack of effective judicial review of the propriety of the agreements, thus increasing the risk of real or apparent unfairness. The Conference adopts the House provision.

The new right; a plea for fair play through a more just social order : Jones, Samuel Milton, 1846

The ABA Standards Relating to Pleas of Guilty §1. This is substantially the position of the ABA Standards Relating to Pleas of Guilty §3.
