The varieties of religious experience, a study in human nature; : James, William, 1842

They have the trail of the serpent over them. He always justified, sometimes playfully, sometimes quite seriously, those who spoke harshly of himself or his writings, and I often thought he even took pleasure in the opposition of enemies.

The Varieties of Religious Experience

I put my book down, and although my excitement was great, I felt quite collected, and not conscious of any sense of fear. The glories of the philosophic choir of this university were deeply impressed on my imagination in boyhood.

Varieties of Religious Experience, a Study in Human Nature on Apple Books

It is too insignificant for our instruction in any case; and its very possessor wrote it down in terms which he would not have used unless he had been thinking of more energetically religious moods in others, with which he found himself unable to compete.

The Varieties of Religious Experience: A Study in Human Nature on Apple Books

In the practical life of the individual, we know how his whole gloom or glee about any present fact depends on the remoter schemes and hopes with which it stands related. The impression had been so profound that in climbing slowly the slope I asked myself if it were possible that Moses on Sinai could have had a more intimate communication with God. He then outlines four features which mark an experience as mystical.

The Varieties of Religious Experience: A Study in Human Nature by William James

He also wrote an important work on the psychology of religious experience.
