BIEBER, Judy, Power, patronage and political violence: state building on a Brazilian frontier, 1822-1889. Lisbon: The British Historical Society of Portugal, 2000.

Eric Foner

When a reporter questioned whether it was healthy for the public to feel that presidents' personal lives are not relevant, Clinton declined to answer the question. Overall, they provide cited and citing journal statistics from 1997 until the present moment, and once a year they publish journal statistics for the previous year of coverage. For the most part, the items were published or presented in the period 1998 to early 2000.
