Xem Phim Hồ Tướng Tùy Đường

The regime also issued a variety of large denomination iron coins which were poorly-made.

Sui Tang Heroes

One thing needs to be clarified: in some versions of the novel, there is also a character called Luo Shixin.

Pinyin chart

These small coins without inscriptions can be divided into four types. The reverse side displays a crescent moon above the square hole.

Pinyin chart

Instead, cash coins would have inscriptions with. Yin qi wen refers to coins that, due to the casting process, have an unevenness in the height of the character strokes. So a single xiongxin was killed, but Qin Qiong Cheng Yaojin is ruthless, nonsense, because they simply heartless meaning at all, in other words, in Qin Qiong and Cheng Yaojin's circle of friends in no single xiongxin! Text description provided by the architects.

Asian Drama Lovers: 隋唐演义 / Heroes of Sui and Tang

He suddenly realized his teacher's words as well as what he did to Li Shinin in Meiliang-Chuan.

Chong qing tang sui bi / Wang Xuequan zhu ; [Wang] Guoxiang zhu ; [Wang] Sheng jiao ; [Wang] Mengyin...

The Manchu character to the right of the hole is jyi which means the coin was cast at Baoding, Zhili. Ironically, when Shan Xiongxin was on his way back to Wagang Fort, he came across Li Yuanba. There are also examples of coins from the Qin 221-207 BC and from the Western Han 206 BC -24 AD Dynasties.
