

# To remember Spain - the Anarchist and Syndicalist Revolution of 1936

AK Press - To Remember Spain / An Overview of the Spanish Libertarian Movement

Tags: #Spanish #Civil #War

## **Spanish Civil War**

Documentary about Anarchism in Spain and the collectives in the Spanish Revolution.

## **Spanish civil war 1936**

The 'May Events' of '37 and the resistance to the militarisation of the militias show that this could not be entirely true. All the affairs of the local CNT were managed by committees of ordinary unpaid workers.

## **The Spanish Anarchists: The Heroic Years 1868**

José Pellicer, el anarquista íntegro. They also had great problems in their relationship with the state, as the collectivities were an expression of power outside the state and also as ideological rivals of the communism that dominated the government.

Notes: Includes bibliographical references (p. 68-69).

This edition was published in 1994

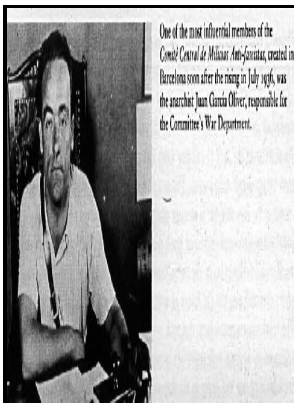

The various agrarian and industrial collectives immediately instituted economic equality in accordance with the essential principle of communism, 'From each according to his ability and to each according to his needs.

### Spanish Civil War Bibliography

Kropotkin, who returned from exile in June 1917, found himself without influence, though he did establish an anarchist commune in the village of Dmitrov, near Moscow. His books To Remember Spain: The Anarchist And Syndicalist Revolution Of 1936, The Ecology of Freedom, Post-Scarcity-Anarchism, The Ecology of Freedom, and Social Anarchism or Lifestyle Anarchism: An Unbridgeable Chasm--are all published by AK Press.

### Spanish Civil War Bibliography

Shortly after the , when workers returned to their companies and workshops, the woodworkers began to socialize their industrial sector. Obligatory collectivization was justified, in some libertarians' eyes, by a reasoning closer to war communism than to libertarian communism: the need to feed the columns at the front. Newspapers on the Spanish Revolution: Spanish Revolution.
