The Cultural Consequences of Globalization Beck; Sznajder; Winter Dott.

## cultural globalization

When the line of sight is clear to every individual in the organization, and they are all able to identify the culture transformation, then this provides a framework from which every other value of transformation can be communicated. Read related article by Jenda Žáček Predictably the Internet is also an object of glorification by its technophile advocates. Therefore, it is reasonable to assume that transnational mass media intensify the hybridity that is already in existence in cultures across the globe.
