I believe he used both scratchboard and watercolor to complete the illustrations. Additionally, the authors present a glossary at the end of the story to support understanding.

Cendrillon

This version of Cinderella is told from the perspective of a Caribbean fairy godmother. But she has sharp wits, a strong will, and the magic wand her mother left her—and soon she has a plan to give her dear Cendrillon the gift of a love that will change her life. When she had done her work, she used to go into the chimney corner, and sit down among the cinders, hence she was called Cinderwench.

Cendrillon (Julius Rudel recording)

. His musicianship and command of French could not make up for the fact that Massenet had scored the Prince for a mezzo, not a tenor. .

I thought This version of Cinderella is told from the perspective of a Caribbean fairy godmother. The poor girl bore all patiently, and dared not complain to her father, who would have scolded her if she had done so, for his wife governed him entirely. The author also uses traditional island fruit to turn into the gown, carriage, and other items.
