The sequel to Mentoria; or, The young ladies instructor: in familiar conversations, on a variety of interesting subjects, in which are introduced, lectures on astronomy and natural philosophy, expressed in terms suited to the comprehension of juvenile readers; being principally intended to enlarge the ideas, and inspire just conceptions of the deity, from the contemplation of the general system of the universe.

This mode of practice often succeeds, where formal precept fails, and might produce a happy effect, if it were more frequently adopted. Tommy pursues Doug and is mortally wounded, but Gus follows them and kills Doug. The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press.
