Solved Case Studies

Data reporter Connie Humburg contributed to this report. Thanks to its unique way of water conservation, this village also has enough water to survive drought-like conditions for years. Most were surrounded by barbed wire and watchtowers to stop people from escaping, with guards being ordered to kill anyone who attempted to leave outside of curfew hours.

15 Inspiring Indian Villages That Are Showing the Way Forward

Additionally, if the board feels any anxiety or stress related to the cultural changes, she can help create a positive environment, gently reminding them of their successes when working with similar cultural situations.

10 Tiny House Villages for Homeless Residents Across the U.S.

Through this process, board members can specifically identify and articulate where their resistance lies.

Case study: coastal management in Holderness

Managers in real time have to piece together segregated information and have to come up with a solution that requires both science and art of decision making. In order to foster a civil and literate discussion that respects all participants, FRONTLINE has the following guidelines for commentary.

Smart Growth in Small Towns and Rural Communities

Benefits in one area might have a negative effect on another.
