### The Postmodern Condition by Jean

Can you tell stories in a cabinet meeting? These phrase regimes have no outside criteria for comparison.

### Jean François Lyotard (Stanford Encyclopedia of Philosophy)

Access to data is, and will continue to be, the prerogative of experts of all stripes. The two possibilities p or not-p both lead to the same conclusion Fp.

### Lyotard, Jean

Take any civil law as an example: it states that a given category of citizens must perform a specific kind of action. That which is taken to be real and most natural is the formation of knowledge in terms understandable by capitalist economics and its modes of efficiency. The differend is experienced as a feeling of not being able to find the words to express something; it signals the limits of one language game or phrase regime and the attempt to move on to another one.

### Key Theories of Jean Francois Lyotard

Of course, the meaning of the utterance has to be understood, but that is a general condition of communication and does not aid us in distinguishing the different kinds of utterances or their specific effects.
