## Books In Review: A Generation of Seekers and Beyond Establishment

In the music world, Motown no longer has the monopoly on soul. Critical is how we as Americans think about our fundamental national identity—about who we are as a people, religiously and culturally, in an age of increased diversity.

## Volume 6

Woodward eds , The Blackwell Reader in Pastoral and Practical Theology, Oxford: Blackwell Publishers, pp. Roof, Wade Clark, Jackson W. MCGUIRE: I had horrible headaches, terrible, terrible pain with this meningitis.

## Exploring Religious America, Part Four: Spirituality

BOB ABERNETHY: A closer look now at the similar experiences of spiritual seekers both apart from organized religion and within it. The Abbey of Gethsemani, 45 miles south of Louisville, Ky. It was a strange thing and a very peaceful sensation.

## Roof, Wade Clark [WorldCat Identities]

This book shows not only how the 76 million boomers have been shaped by such seeking but how they have remapped the spiritual landscape for all Americans; boomers have shifted attention from the institution to the individual, emphasized 'lived religion' religion in practice and created a 'quest culture'. Marianne Williamson is a popular writer and speaker on spirituality.

## Good News to the Generations—The Baby Boomers

SEVERSON: Nothing spiritual in that? The Boomers could have it all; at least they were told they should have it all. Cross-generational relationships can build vitality in local congregations and Christian schools.

Douthat 2012 notes one significant influence on this decline: A Lutheran might remain a Lutheran when moving from his urban birthplace to a nearby suburb, but would he stick to his confession when he moved again, and yet again, shedding the ties of family and community along the way? As he wrote in the introduction to that most recent ANNALS: Immigration and religious issues are openly debated in the political arena; concerns extend well beyond interfaith relations and acceptance of diverse truth-claims, dress, food, and religious styles to questions about how diverse can the country be and still remain united.

You know people, the ministers of the church and others, are trying to take care of you and me and a whole flock of people. Wade Clark Roof has tackled the challenge admirably, doing a yeoman's job at compiling vast amounts of often surprising information. MCGUIRE: The altar is kind of in the mind, the consciousness and sacredness of life is with everything we do.
