And because their empire is collapsing, the Russian military today frequently finds itself in combat situations that encourage reform at the lower and middle levels. Please consider making a donation to support our work. We did something similar by accident, really from Tbilisi, Georgia to Beijing.

Energy governance in Asia: beyond the market

Roaming the earth were spectacular beasts such as saber-toothed cats, giant mastodons, immense ground sloths. This peace allowed for the reopening of the Silk Road trading routes between China and Europe, increasing cultural exchange and wealth all along the trade paths.
