**Vampires : the occult truth :
Konstantinos, 1972**

Set up your materials before bathing.

Konstantinos

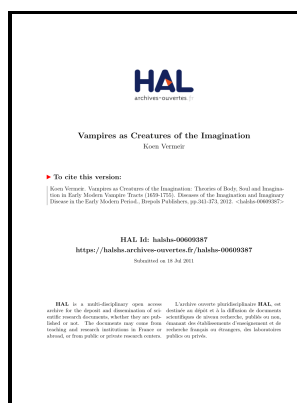

With each breath picture it coming closer to you. Vampires have been identified in every culture going all the way back to the first civilization, the Sumerians.

9781567183801: Vampires: The Occult Truth (Llewellyn Truth about)

Konstantinos is on the fence throughout the book and even when seemingly certain of his facts provides a wooly interpretation of them, I am Goth friendly and even the 'new age' sensibilities of the latter part of the book aren't something I willingly debunk but 'fraid to say this book meant little to me and was a waste of my time.

Vampires. The Occult Truth

Why would one sit reading such a magazine? Walk around clockwise saying I purify this space with fire.

Vampires: The Occult Truth

Other mortal blood drinkers feel a craving for blood and feel that drinking blood gives them extra powers and makes them feel good. Place the water on the south side of your table.

Vampires: The Occult Truth

There was nothing sexy and beautiful about Dracula. Author speaks in a pleasant manner too, a manner that allows a skeptic to remain a skeptic or reconsider, while a believer can continue believing or reconsider too, nothing is pushed, everything is questioned.

9781567183801: Vampires: The Occult Truth (Llewellyn Truth about)

Last you visualize your aura expanding with deep breaths and invision it getting porcupine spines. Konstantinos is a well known author of occult works and he focuses largely on Nocturnal Magic.
