### Feminism: Ideas, Beliefs, and Movements

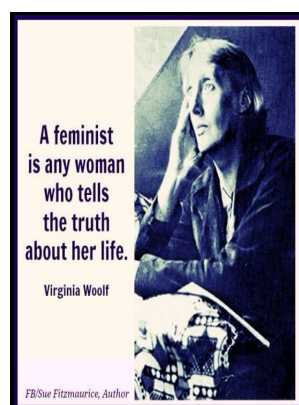

If you wanna be tough, grow a vagina. Contesting the valuation of these characteristics over traditionally female characteristics, these feminists ask why patriarchal and liberal views have elevated the spiritual or rational which they associated with men over the physical or emotional which they associate with women? Someone can be gay and be a feminist, and certainly being gay may inform that person's feminism. We still have 73 cents on the dollar a man earns.

### What feminism means today

Whereas patriarchal thinkers, classical liberals, and some Marxists have revered humans for their domination over nature, cultural feminism reveres harmony with nature. Rather, they argue that the reformist program is far too limited.

women's oppression and women's agency.

## feminism

Part of the issue was sociology itself. Thus, sexism affects earnings not only through keeping women out of high-paying jobs, but also through devaluing the jobs in which women are concentrated.

## Feminist Theory

The second being whether females should live in societies completely separate to men and assume the role of lesbians. In her own significant contribution, feminist philosophy and education come together in connections between care theory and moral education. power over women. It does not mean you hate girls that have nice legs and a tan, and it does not mean you are a bitch or a dyke, it means you believe in equality. The feminist perspective has much in common with the conflict perspective and throughout this course, we will typically discuss feminist theory alongside conflict theory, although many consider it deserving of its own classification.

## Urban Dictionary: Feminist

Translated as Speculum of the Other Woman, Gillian C. Through this unequal distribution of power, men have been able to force their notions of appropriate sexual relations between men and women as well as shape how women perceive themselves. In a world in which a woman might be subject to racism, classism, homophobia, anti-Semitism, if she is not so subject it is because of her race, class, religion, sexual orientation.
