Statement to the author by Sun K'ê Sun Fo , President of the Legislative Yuan, Chungking, July 17, 1940.

Pinyin chart

Thus, an independent or Leftist, whose life had been more or less in danger for years, because of his hostility to the Kuomintang and its policies, might find himself nominated for the Council by the Kuomintang's highest government-supervising agency, and elected by the Kuomintang's highest Party agency.

List of articles carried by the Bulletin of the Sinological Society of Japan

China's leadership is therefore posed a two-fold problem: to perpetuate a regime, successful in one period of relative peace, through years of invasion to a period of even deeper peace; and to permit popular access to policy-forming agencies, allowing freer operation of pressures, without endangering resistance and reconstruction thereby.

Chinese Refugees in Annam and Champa at the End of the Sung Dynasty on JSTOR
