La Clova, El Raco de Sant Pol and TERRA Restaurant are within 5 minutes' walk of the property. Asomado a una bahía del Mediterráneo, la misma que luego pasarían a llamar Costa Brava, descansa Sant Feliu de Guíxols, corazón de parajes y paisajes que inspiran sosiego. Set in a 19th-century Modernist mansion in the quiet town of Sant Feliu de Guíxols, Hostal del Sol has swimming pools, a bar with terrace, and there is free WiFi available throughout.
