Labor Movement

In some countries, however, particularly developing countries, arbitration of interest disputes is more generally applicable. And even where the right exists in law, employees may fear retaliation or job loss for exercising it, particularly where they do not enjoy the backing of a trade union or an effective labour inspectorate. Similarly, where an employer closes the workplace in compliance with a stop-work order or because of a reasonable belief that a dangerous situation exists, it is generally not considered to give rise to a lockout.

Employee Engagement and Labor Relations

However, different labour relations systems offer varying approaches. Works Councils and Similar Structures; Co-determination The term works councils describes arrangements for the representation of employees, usually at the plant level although they also exist at higher levels company, group of companies, industry, European Union. A good grievance handling procedure should: i Be simple, easy to understand and to operate; ii Settle grievances at lower level; iii Systematically handle the grievances and promptly remedy the conditions complained of; iv Depending upon the nature of grievance, refer it to appropriate authority; v Ask the employee to give his complaint in writing; vi Permit the worker to appeal against the decision taken at lower level, and lastly vii The grievance procedure should be made, realising the importance of industrial harmony and good labour relations.

The Future of Labor Relations: It's Not About The Unions

Unions have been bleeding members because industry has been shifting for three decades in the U.
