## HEARING BEFORE THE

. For example, new hires in the Automated Collection System ACS , which the IRS itself has analogized to the use of private collectors, generally must complete an eight-week training course in a classroom setting which is complimented by three weeks of on the job training. Calls were placed as early as 4:19 a.

### Lewis aims to end latest private tax debt collection effort

According to the IRS, the initiative to use PCAs will help reduce the significant and growing amount of tax liability deemed uncollectible because of IRS resource priorities, will help maintain confidence in the tax system, and will enable the IRS to focus its existing collection and enforcement resources on more difficult cases.

### Lewis aims to end latest private tax debt collection effort

However, a few illegal tax protestor references still exist in isolated case files.

### IRS Private Tax Collection Program

EFDS was designed to identify potentially fraudulent tax returns. It also requests 510 additional revenue agents to conduct reporting compliance research examinations.
